Since Partnership for Children was founded in 2001, the *Skills for Life* programmes have benefitted

**2.9m**

children across the globe

Partnership for Children

Good mental health for children - for life

# Our Global Reach 2025

**Our vision – a world in which good mental health and emotional resilience is part of life for every child – at home, at school and in the community**

Partner organisations in **23** countries delivered our *Skills for Life* programmes globally. We have a new partner in Latvia and an action research study was carried out in Morocco

More than **152k** children reached worldwide in 2025

**14** schools in England took part in a fully funded project to support the well-being of children with special educational needs and disabilities (SEND)

**32** nurseries and pre-schools in the UK and partners in Mauritius and Rwanda joined cohort two of our *Early Years Personal, Social and Emotional Development* (PSED) programme, funded by the Kavli Trust

**72,667**

people were reached with our social media communications

*Zippy's Friends* recognised by the OECD (The Organisation for Economic Cooperation and Development) as a strong example of an effective, scalable social and emotional learning programme

*Zippy's Friends* has been translated into Irish

Our free wellbeing activities were downloaded

**1,128**

times and we launched new self-efficacy activities in partnership with Nottingham Trent University

**951**

teachers in English speaking schools have delivered our *Skills for Life* programmes using our online teaching platform

**70** people signed up for our grief education webinar

**Thank you for making this happen – we simply could not have done it without you**
